

# Qingqing's Pencil

**Children, do you like to go to school? Why?**

Living in Yunnan,  
Qingqing loves to go to  
school. Do you know why?

**Note:**

The chance to learn  
does not come easily.  
Students can also  
learn a lot at school.  
That's why all the  
kids in the village  
loves to go to school.

The sun just rose from the horizon but Qingqing is already going to school.

**Note:**

The road to school is very long, so Qingqing has to wake up early to go to school.

Back at school...  
What is Qingqing finding?

I lost my pencil... WHAAA...  
What should I do? I only have  
one pencil. Without it, I cannot  
do my homework.

What is the difference between your stationary and Qingqing's pencil? Can you help Qingqing find her pencil?

**Note:**

If your pencil is like Qingqing's pencil, will you throw it away?

*This is Qingqing's school.  
What do you think about  
the environment?*

*What is this? →*

**Note:** Because of lack of resources, some schools can only use cars' old tires as the school bell. Where is the pencil? Try to find it.

**Note:** Qingqing's house is built using bricks and mud. The roof is made with grass. It is very old and not safe. Where is the pencil? Try to find it.

*School ended, Qingqing walks home. How is her living environment?*

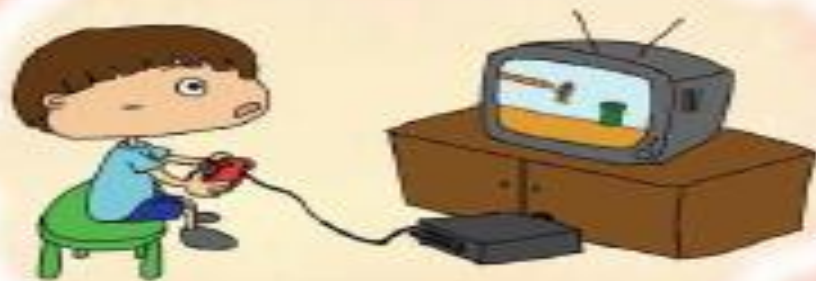

*I need to pack my books. Can't let the rain get them wet!*

*It's raining. What should we do?*

**Note:**  
It's dark. Qingqing has yet to find her pencil. There is no lights at home. She can't do her homework tonight. Where is the pencil? Try to find it.

*What do you do  
when you don't go  
to school on Sunday?*

**Note:**

Go with parents to the park?  
Stay at home and play video games?  
Go to the library to read?  
Hong Kong children have a lot of  
events during holidays.

Feed the pigs

When Qingqing doesn't go to school, she also has a lot of "events".

Pick the corns

Chop firewood

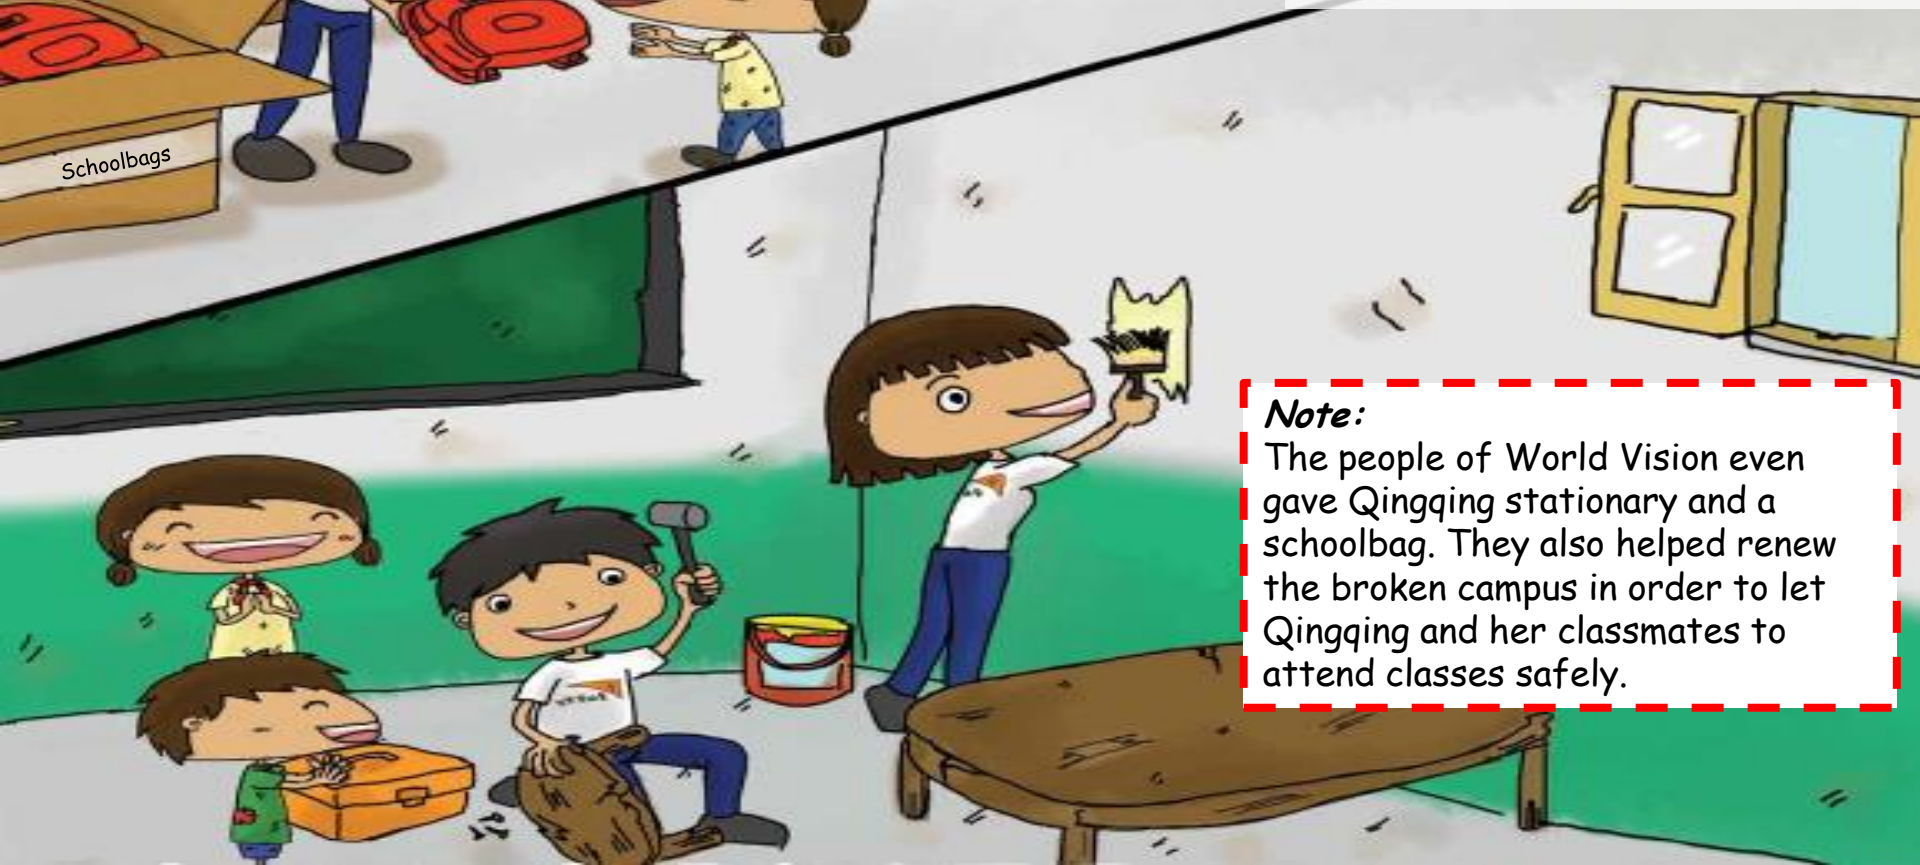

Wash the clothes

One day, the people of World Vision came to visit Qingqing. Knowing that her only pencil got lost, they immediately volunteered to find it with her.

**Note:**  
The people of World Vision even gave Qingqing stationery and a schoolbag. They also helped renew the broken campus in order to let Qingqing and her classmates to attend classes safely.

*Found it! I found my pencil! From now on, I will take good care of it!*

**Note:**  
When Qingqing hurried to school, she dropped the pencil on the floor in front of the door.

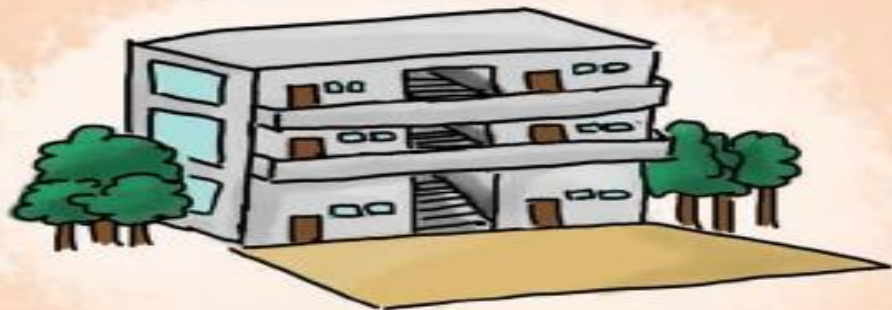

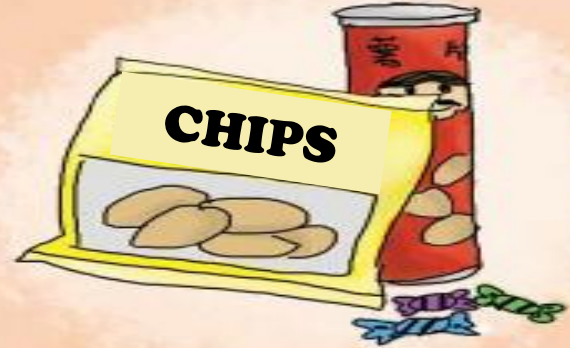

**A lot of kids in poor villages are the same as Qingqing, only have a short pencil.**

Are you willing to help Qingqing and other children?

*What do they most need?  
(Circle the answer)*

# THANK YOU!

**World Vision** is a global Christian relief, development and advocacy organisation dedicated to working with children, families and communities to overcome poverty and injustice and help them achieve their full potential, regardless of religion, race, ethnicity, or gender.
